HOUSE JOINT RESOLUTION NO. 121**By Representatives Phillips, Hood, Fowlkes**

A RESOLUTION to name the Administration Building at the new Tennessee Fire Service and Codes Enforcement Academy in Bedford County in honor of former Shelbyville Fire Chief Garland King.

WHEREAS, it is fitting that this General Assembly should permanently commemorate the accomplishments of those sterling public servants who have served their respective communities with the greatest acumen, integrity and dedication; and

WHEREAS, no Tennessean is more deserving of special recognition than Garland King, who served with distinction as the City of Shelbyville's Fire Chief for 30 years before taking a much deserved retirement in 1999; and

WHEREAS, a native of Unionville in Bedford County, Garland King began his illustrious tenure with the Shelbyville Fire Department in 1959 under the tutelage of Chief Buck Foster, who instilled in Chief King the consummate professionalism that was the trademark of both their careers in public service; and

WHEREAS, Chief King has modestly attributed his success "in building one of the greatest fire departments in the state regardless of size" to the quality and dedication of his firefighters and the City's foresight in purchasing and maintaining the best available firefighting equipment; and

WHEREAS, Chief King adroitly served his profession in numerous other capacities, including meritorious tenures as President of the Tennessee Firemen's Association and President of the Tennessee Fire Chief's Association, which he helped found; and

WHEREAS, he was always available to advise and counsel fellow fire chiefs and firefighters and even to assist them in the performance of their duties during emergencies; and

WHEREAS, perhaps the crowning accomplishment of Chief King's illustrious career was the instrumental role he played in the development of the new Tennessee Fire Services and Codes Enforcement Academy and its subsequent location in Bedford County; and

WHEREAS, displaying the political acumen of a seasoned campaigner, Chief King traveled over 5,300 miles across the State with a 1944 fire truck to promote and educate the public about the Academy; and

WHEREAS, at every stop on the tour, Chief King made sure that people from all walks of life, including local government officials, legislators and even the Governor, placed their signature on the truck as a demonstration of their support for this much needed facility; and

WHEREAS, Chief King's tour, which he counts as one of the best experiences of his life, soon rallied public opinion in favor of the Academy and convinced the General Assembly and Governor to grant final approval for this worthy project; and

WHEREAS, scheduled to open in 2001, the Tennessee Fire Service and Codes Enforcement Academy will offer the latest in training technology, state-of-the-art equipment and a full spectrum of educational courses for fire service and codes enforcement officials; and

WHEREAS, the Academy's full service campus will feature dedicated structures for realistic fire and codes scenarios, a hands-on training center with specialized laboratories, modern classrooms with a supporting research library and a three-bay fire station with accommodations for 25 trainees; and

WHEREAS, the Academy's unique dual curriculum of fire and codes subject matter will be comprehensive and challenging and will produce certified professionals well trained in applicable state and national standards; and

WHEREAS, for 40 years, Chief Garland King dedicated himself and the resources of his department to the safety of his fellow Bedford Countians; in the final chapter of his indelible legacy as a firefighter and public servant he ensured the health, welfare and safety of both present and future Tennesseans by working tirelessly to make the Tennessee Fire Service and Codes Enforcement Academy a reality; and

WHEREAS, this General Assembly should not let this remarkable feat go unheralded; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That the Administration Building at the new Tennessee Fire Service and Codes Enforcement Academy in Bedford County is hereby designated as the "Garland King Administration Building" as a lasting tribute to one of the most outstanding citizens and public servants this State has ever produced, Shelbyville Fire Chief Garland King, and his instrumental role in the development and location of the Academy.

BE IT FURTHER RESOLVED, That the State Fire Marshal is directed to erect suitable signs designating such edifice as the "Garland King Administration Building". The dimensions of such signs shall be at least four feet wide by six feet long (4'x6') with letters of proportional size.

The State Fire Marshal shall return any unused portion of the estimated cost to Bedford County within thirty (30) days of the erection of such signs. By Representatives Bowers, Ulysses Jones, Kernell, Sherry Jones, Lois DeBerry

A RESOLUTION relative to the establishment of a prescription drug program for Medicare beneficiaries.

WHEREAS, when the Medicare program was established thirty-five (35) years ago, its benefits were based on private sector health care coverage, which rarely included prescription drugs; and

WHEREAS, today, virtually all private sector health care plans include coverage for prescription drugs, while Medicare does not; and

WHEREAS, Medicare beneficiaries' current prescription drug coverage options are often expensive and unreliable; as a result, three (3) out of five (5) Medicare

beneficiaries lack decent, dependable coverage for their prescription drug costs, and more than one-third (1/3) have no coverage at all; and

WHEREAS, the absence of this critical benefit in the Medicare program is particularly serious due to the important role prescription medications play in patient care today, especially for senior citizens; and

WHEREAS, all Medicare beneficiaries are in dire need of affordable coverage and financial protection as prescription drug costs escalate at double-digit rates; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That this General Assembly hereby memorializes the United States Congress to enact legislation establishing a universal, voluntary prescription drug benefit as a component of the Medicare program.

BE IT FURTHER RESOLVED, That it is the sense of this General Assembly that any prescription drug benefits established by Congress for Medicare beneficiaries should complement and enhance state-funded pharmaceutical assistance programs already in operation.

BE IT FURTHER RESOLVED, That enrolled copies of this resolution be transmitted to the Speaker and the Clerk of the United States House of Representatives; the President and Secretary of the United States Senate; and each member of Tennessee's Congressional delegation.

A RESOLUTION to require an inter-departmental study and to create a special joint committee to study autism and measures the State of Tennessee can take to serve the needs of children with autism and their families.

WHEREAS, children with autism are a group with great needs; and

WHEREAS, these needs extend well beyond the medically necessary services that are provided by TennCare through its basic benefits, early and periodic screening, detection, treatment ("EPSDT") services, and waiver programs; and

WHEREAS, children with autism often have educational and social needs in other service domains; and

WHEREAS, autism is a pervasive developmental disorder; and

WHEREAS, symptom management, respite services such as those provided by Tennessee Voices for Children and case management can be provided to children if it is determined they have a co-occurring psychiatric disorder or are determined to be seriously emotionally disturbed ("SED"); and

WHEREAS, SED status is defined as experiencing significant impairment of functioning in addition to having another psychiatric disorder besides a developmental or substance abuse or chemical dependency disorder; and

WHEREAS, diagnostic and treatment services offered under the EPSDT program must meet medically necessary criteria if those services extend beyond basic, periodic screenings; and

WHEREAS, other services are educational in nature, or both medical and educational in nature (such as speech therapy), leading to substantial complexity, over-

lap, and the potential for failure to meet adequately the needs of children with autism; and

WHEREAS, TennCare-funded services are only one source of funding, and there are limits to the scope of services that TennCare can provide since services must meet certain criteria; and

WHEREAS, other states have taken a proactive approach such as developing university-based and specialized programs that coordinate and integrate services for children with autism and their families, while blending funding resources; and

WHEREAS, the array and complexity of needs and service requirements for children with autism demonstrates the need for a comprehensive statewide plan for children; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That the departments of Mental Health and Developmental Disabilities, Education, Children's Services, the TennCare Bureau, and the Tennessee Commission on Children and Youth conduct a study of current services and programs available for children with autism and their families.

BE IT FURTHER RESOLVED, That these departments, the bureau, and the commission are authorized to consult with such other agencies and institutions of state government as they deem appropriate in conducting this study.

BE IT FURTHER RESOLVED, That these departments, the bureau, and the commission prepare a proposal for a comprehensive statewide plan for coordinating services and maximizing their delivery to children with autism and their families.

BE IT FURTHER RESOLVED, That this proposal be presented not later than November 1, 2001, in the form of a report to a special committee to consist of three (3) members of the Senate and three (3) members of the House of Representatives to be appointed by the respective Speakers.

BE IT FURTHER RESOLVED, That this special committee shall review the report and recommend any necessary legislation to implement such statewide plan.

BE IT FURTHER RESOLVED, That all legislative members of the special joint committee shall remain members of such committee until the committee reports its findings and recommendations to the General Assembly and shall be paid as members of the General Assembly are paid for attending legislative meetings as provided in Tennessee Code Annotated, Section 3-1-106.

BE IT FURTHER RESOLVED, That the committee shall be convened by the member with the most years of continuous service in the General Assembly.

BE IT FURTHER RESOLVED, That the special committee shall report its findings and recommendations, including any proposed legislation or interim reports to the One Hundred Second General Assembly no later than January 15, 2002, at which time the committee shall cease to exist.

A RESOLUTION to continue the Special Joint Committee to study electric utility industry deregulation.

WHEREAS, the joint committee on electric utility deregulation was created by the One Hundredth General Assembly pursuant to Section 13, Chapter 531 of the Public Acts of 1997; and

WHEREAS, the study was undertaken in response to a national debate on electric utility deregulation leading to retail competition of electric power and the action of several states to move toward electric utility deregulation and retail competition; and

WHEREAS, electricity is a necessity for individuals, businesses, industries, municipalities and counties in this state; and

WHEREAS, the potential impact of electric power deregulation upon the citizens, businesses, industries and state and local governments of Tennessee is not yet fully understood; and

WHEREAS, congressional action may lead to radical changes in the Tennessee Valley Authority, which could profoundly affect the relationship between TVA on the one hand, and municipal electric companies, electric cooperatives, and Tennessee state and local governments on the other hand; and

WHEREAS, if TVA's status as a supplier of power is changed and its contractual arrangements with municipal and cooperative distributors is changed, and in-lieu-of-tax payments are then terminated, the State of Tennessee may be required to implement a statewide regulatory mechanism to protect consumers of electricity in areas not readily subject to regulation by market forces and to enact tax measures to recover revenue lost from in-lieu-of- tax payments; and

WHEREAS, inasmuch as potential changes in the status of TVA could have implications in the area of economic development, as well as state and local revenues, the progress of Congressional debate on that subject is of profound significance to the Executive Branch, as well as to this General Assembly; and

WHEREAS, it is the duty of this General Assembly to see, to the best of its ability, that the citizens of this state, who are currently the beneficiaries of low electric rates, suffer no harm as to rates, environmental conditions, energy conservation programs, system reliability, universal service and low income assistance programs as a result of deregulation; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That the Special Joint Committee to study Electric Utility Industry Deregulation, created pursuant to Section 13, Chapter 531 of the Public Acts of 1997 and continued by House Joint Resolution No. 87 of the One Hundred First General Assembly, be continued until February 28, 2004.

BE IT FURTHER RESOLVED, That the membership of the committee as constituted in Section 13(c) of Chapter 531 of 1997 and as augmented by action of the speakers of the Senate and the House of Representatives pursuant to Chapter 836 of the Public Acts of 1998 shall remain as it presently exists, with five (5) members of the House of Representatives appointed by the Speaker of the House and five (5) members of the Senate, appointed by the Speaker of the Senate.

BE IT FURTHER RESOLVED, That all appropriate state agencies shall provide assistance to the special joint committee upon request of the chair.

BE IT FURTHER RESOLVED, That all legislative members of the special joint committee who are duly elected members of the General Assembly shall remain members of such committee until the committee reports its findings and recommendations to the General Assembly.

BE IT FURTHER RESOLVED, That in its deliberations, the special joint committee shall study and examine those issues set out in Section 13(d) of Chapter 531 of the Public Acts of 1997, as well as such other pertinent issues that may arise.

BE IT FURTHER RESOLVED, That the Governor is urged to designate a person to act as a focal point for the Executive Branch concerning matters relating to electric utility industry deregulation to confer with the special joint committee on deregulation issues and to participate in presenting a unified voice for the State of Tennessee in the national debate on electric utility industry deregulation, particularly as it relates to the future of TVA.

BE IT FURTHER RESOLVED, That the special committee shall timely report its findings and recommendations, including any proposed legislation or interim reports, to the One Hundred Third General Assembly no later than February 28, 2004, at which time the committee shall cease to exist.

BE IT FURTHER RESOLVED, That a copy of this resolution be sent to the Honorable Don Sundquist, Governor of the State of Tennessee.

WHEREAS, it is fitting that the elected representatives of the State of Tennessee should name certain highways and bridges to honor those brave members of the United States armed forces who have given their lives in service of their country; and

WHEREAS, two such courageous young Tennesseans were John Thomas Burton, the son of Mr. and Mrs. Leslie Burton of Mt. Juliet, Tennessee and James Edward Bush, the son of Mr. and Mrs. Farmer Bush of Lebanon, Tennessee, both of whom lost their lives in combat in the Republic of Vietnam; and

HOUSE JOINT RESOLUTION NO. 735**By Representative Phelan**

A RESOLUTION to designate U.S. Highway 45W in Gibson County as a "Blue Star Memorial Highway".

WHEREAS, the Blue Star Memorial Highway System is a fine illustration of what can be accomplished in roadside beautification; this project has grown from the beautifying of six miles of highway by the New Jersey Garden Clubs in 1944, to now include the entire United States; and

WHEREAS, the system is one of the most extensive projects ever undertaken by garden clubs and the first attempted on a nationwide scale; its success paved the way for the Anti-Litter Drive and other national projects; and

WHEREAS, the Blue Star Memorial Highways take their name from the blue star in the service flag; they are a living memorial to "all those who have served or will serve in the Nation's Armed Forces"; and

WHEREAS, the project was organized as a demonstration of roadside beautification, to show what could be accomplished through united strength as a protest against billboards, to educate the public to higher standards of roadside development, and to determine how the National Council of Garden Clubs could best work with the civil authorities for major achievement; and

WHEREAS, it is a great honor for a highway to be designated as "Blue Star," and it is the wish of the National Council of Garden Clubs that this fact should be recognized and appreciated by all persons concerned with such highways; the "Blue Star Memorial" marker is appropriate in every respect to represent the efficiency and dignity of the nation's highways; and

WHEREAS, each month new stretches of roadway are being added to the Blue Star Memorial Highway System, and with the increasing number of men and women entering active military service for our country, this tribute assumes greater importance than ever in homes across our land; and

WHEREAS, on July 9, 1990, the Trenton Garden Club dedicated a Blue Star Memorial Highway Marker on the Gibson County Courthouse lawn to honor the brave men and women of our area who have served in the U.S. Armed Forces; and

WHEREAS, it is also the desire of the Garden Club to name a section of highway in Gibson County in honor of those who served their country, and the members of this legislative body most heartily concur with this proposal; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That we hereby honor all Tennesseans who have served and who are now serving in this nation's armed forces, and in the interest of highway beautification, U.S. Highway 45W in Gibson County, is hereby designated as a "Blue Star Memorial Highway".

BE IT FURTHER RESOLVED, That the Department of Transportation is directed to erect suitable signs or to affix suitable markers designating such segment of U.S. Highway 45W as a "Blue Star Memorial Highway".

BE IT FURTHER RESOLVED, That the erection of such signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

BE IT FURTHER RESOLVED, That this resolution shall become operative only if the Federal Highway Administrator advises the Commissioner of Transportation in writing that the provisions of this resolution shall not render Tennessee in violation of federal laws and regulations and subject to penalties prescribed therein.

BE IT FURTHER RESOLVED, That this resolution shall become operative only if the Trenton Garden Club, either (1) remits the estimated cost of the erection of such signs to the Department of Transportation within one (1) year of the effective date of this resolution, or (2) manufactures and erects such signs pursuant to state and federal guidelines and as approved by the Department. If electing option (1), the Trenton Garden Club shall make such payment prior to any expenditure by the state for manufacture or installation of such signs. The Department shall return any unused portion of the estimated cost to the Trenton Garden Club within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, the Trenton Garden Club shall remit an amount equal to the difference in such costs to the Department within thirty (30) days of receiving an itemized invoice of the actual cost from the Department.

BE IT FURTHER RESOLVED, That a certified copy of this resolution be transmitted to the Commissioner of Transportation and to the Trenton Garden Club.

A RESOLUTION to name a certain segment of State Route 420 in Gibson County in honor of the late Harriett Strayhorn Barksdale Moore.

WHEREAS, from time to time, the members of this General Assembly have seen fit to name certain highways and bridges in honor of those noteworthy Tennesseans whose personal sacrifices in the name of the greater good can only be categorized as outstanding; and

WHEREAS, the late Harriett Strayhorn Barksdale Moore was one such person, whose quest for equality for all Tennesseans personified the will of the human spirit; and

WHEREAS, Ms. Moore was an ex-slave who purchased a tract of land adjacent to land now occupied by State Route 420 in Gibson County, and later gave a half-acre of the property to the county to build a school for African American children; and

WHEREAS, in appreciation of her meritorious service in making the school a reality, and for her lifelong commitment to the young people of this State, the heirs of Harriet Strayhorn Barksdale Moore, along with the citizens of the Gibson Community, have memorialized this body to name a certain segment of State Route 420 in Gibson County to permanently commemorate her bountiful life of purpose and commitment; and

WHEREAS, this General Assembly most heartily concurs with this excellent proposal; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That the segment of State Route 420 in Gibson County, from its intersection with Jim Jackson Road to State Route 186, is hereby designated as the "Harriett Moore Memorial Road", in recognition of this gifted woman who exemplified the true spirit of the Volunteer State.

BE IT FURTHER RESOLVED, That this act shall become operative only if the federal highway administrator advises the Commissioner of Transportation in writing that the provisions of this act shall not render Tennessee in violation of federal laws and regulations and subject to penalties prescribed therein.

BE IT FURTHER RESOLVED, That the erection of such signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

BE IT FURTHER RESOLVED, That in addition to the requirements of the preceding resolving clause, this resolution shall become operative only if the Gibson County Commission either (1) remits the estimated cost of the erection of such signs to the Department of Transportation within one (1) year of the effective date of this resolution, or (2) manufactures and erects such signs pursuant to state and federal guidelines and as approved by the Department. A RESOLUTION to create a special joint committee to perform a comprehensive analysis of municipal electric system and rural electric cooperative pole attachment contracting practices and to recommend statutory changes to provide fair and equitable treatment.

WHEREAS, federal law provides guidelines to define the relationship between users and owners of investor-owned utility poles; and

WHEREAS, the State of Tennessee, with one exception, currently has no investor-owned utilities; and

WHEREAS, the State of Tennessee currently has no laws affecting the best practices and conditions for the use of the poles owned by municipal electric systems and rural electric cooperatives; and

WHEREAS, the Tennessee General Assembly finds and declares that all users of poles owned by municipal electric systems and rural electric cooperatives are entitled to fair access to such poles, but must also assume a corresponding obligation to pay fair rates and observe fair operational practices; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, That there is hereby created a special joint committee to perform a comprehensive analysis of municipal electric systems and rural electric cooperative pole attachment practices.

BE IT FURTHER RESOLVED, That the special joint committee shall study the best practices by municipal electric systems and rural electric cooperative pole owners to promote fair and equal treatment for all pole users and for municipal electric systems and rural electric cooperatives and the Tennessee citizens and businesses that those electric systems serve.

(5) Current pole attachment rates and practices in relation to the actual cost of pole maintenance and use; and

(6) Current pole attachment rates and practices in relation to the pole users' avoided costs of pole ownership, maintenance and use.

BE IT FURTHER RESOLVED, That the special joint committee shall perform a comprehensive analysis of municipal electric systems and rural electric cooperative pole attachment practices and recommend appropriate changes, if any are necessary, to provide fair and equitable treatment for all pole users and for municipal electric systems and rural electric cooperatives and the Tennessee citizens and businesses that those electric systems serve.

BE IT FURTHER RESOLVED, That the special joint committee shall hold hearings in the Fall of 2002.

BE IT FURTHER RESOLVED, That all legislative members of the special joint committee who are duly elected members of the General Assembly shall remain members of such committee until the committee reports its findings and recommendations to the General Assembly.
